

## **LET Us Make Your Winter Sailing Easier Than It's Ever Been -**

Contact us to have your boat trucked, set up and delivered to your marina. After you compete, we will break down your boat and deliver it to the next stop on your sailing schedule.

### **Our Services include:**

Truck your boat from its homeport to Key West, Miami Race Week and/or Charleston and back home for the spring sailing season. We will step/unstep, launch the boat, dock tune the rig, wash the decks & bottom, deliver to & from the marina, and pack her up for trucking to the next location on your sailing schedule for as many stops as you want. All boats will be stored in a safe & secure spot between regattas.

### **Pricing:**

#### **Trucking -**

In an effort to give you the best possible price and due to rising fuel costs, please call for an estimate. Pricing will depend on when you book, whether you use our trailer or yours and the number of regattas. Fully insured.

#### **Storage -**

We would like to move the boats early so storage will be free until you get to Key West. The cost of storage for the period between Key West Race Week & Miami Race Week will be approximately \$200 and storage will be free for the period between Miami Race Week & Charleston Race Week.
